3.2 Qualsiasi cessionario che diventi un Obbligazionista, con qualsiasi mezzo e per qualsiasi ragione, avrà, e sarà soggetto a, tutti i diritti e gli obblighi derivanti dal Contratto e dal presente Regolamento.

3.3 Le Obbligazioni non saranno ammesse alla negoziazione in nessun mercato regolamentato o sistema multilaterale di negoziazione.

4. Durata

Ciascuna Obbligazione avrà una durata di dodici (12) mesi a partire dalla data della sua emissione (la “**Data di Scadenza**”).

5. Valore nominale

Ciascuna Obbligazione avrà un valore nominale di Euro 10.000.

6. Interessi

Le Obbligazioni non matureranno interessi.

7. Rimborso

7.1 L'Emittente non avrà il diritto di rimborsare anticipatamente alcuna Obbligazione.

7.2 Se le Obbligazioni non sono state convertite dall'Obbligazionista prima della loro Data di Scadenza, (i) l'Emittente avrà il diritto di rimborsare in danaro l'importo capitale delle Obbligazioni ancora in circolazione alla Data di Scadenza o (ii) nel caso in cui l'Emittente non eserciti il diritto di rimborso in danaro dell'importo capitale delle Obbligazioni in circolazione alla Data di Scadenza, l'Investitore convertirà tutte le Obbligazioni in circolazione alla Data di Scadenza.

7.3 Fermo quanto sopra, a discrezione dell'Obbligazionista, l'Emittente è tenuto a rimborsare anticipatamente in danaro tutte o ciascuna delle Obbligazioni detenute dall' Obbligazionista in questione nelle seguenti circostanze:

- (i) mancata emissione di nuove Azioni a ciascun Obbligazionista in conformità ai termini del Contratto (ad esempio, in caso di ritardo significativo, imputabile a Fidia, nell'emissione delle nuove Azioni); oppure
- (ii) il verificarsi di un Evento di Inadempimento (*Event of Default*) ai sensi del Contratto.

7.4 In caso di rimborso in danaro, l'Emittente pagherà a ciascun Obbligazionista l'importo complessivo delle sue Obbligazioni in circolazione, in conformità al Paragrafo 8 del presente Regolamento.

8. Conversione; cessazione dei diritti di conversione

8.1 *Conversione delle Obbligazioni in Azioni dell'Emittente; Periodo di Conversione*

A meno che non siano scaduti i propri diritti di conversione ai sensi del Paragrafo 8.5 del presente Regolamento, ciascun Obbligazionista avrà il diritto, mediante invio all'Emittente di un Avviso di Conversione, in qualsiasi momento a partire da (i) la Prima Data di Esecuzione (intesa come la data di emissione della prima *tranche* di Obbligazioni) o (ii) ciascuna Data di Esecuzione, fino alla Data di Scadenza inclusa (il “**Periodo di Conversione**”), di convertire tutte o ciascuna delle Obbligazioni in Azioni di nuova emissione o già esistenti, e di determinare il numero di Obbligazioni da convertire e il corrispondente valore nominale aggregato così convertito (l’“**Importo di Conversione**”).

L'Emittente, a sua discrezione, avrà quindi il diritto, al momento della conversione delle Obbligazioni da parte dell'Obbligazionista, di:

- (i) consegnare all'Obbligazionista Azioni di nuova emissione o già in circolazione; e
- (ii) pagare all'Obbligazionista fino a un importo in danaro calcolato in base alla seguente formula (il “**Pagamento per Conversione in Danaro**”):

Pagamento per Conversione in Danaro = $(CA/CP) \times \text{Closing VWAP}$ alla data di conversione dove:

CA = il 33% del valore nominale delle Obbligazioni oggetto di conversione;

CP = il Prezzo di Conversione.

Ciascun Obbligazionista ha la facoltà di eseguire più conversioni di Obbligazioni entro il limite del valore nominale residuo.

8.2 *Data di Conversione; Avviso*

Ciascun Obbligazionista può convertire tutte o ciascuna delle proprie Obbligazioni in qualsiasi Giorno di Negoziazione (*Trading Day*, come definitivo nel Contratto) di sua scelta durante il Periodo di Conversione, con efficacia alla data di ricezione da parte dell'Emittente di un Avviso di Conversione ai sensi del Paragrafo 8.1 del presente Regolamento (la “**Data di Conversione**”).

In ciascuna Data di Conversione prescelta, ciascun Obbligazionista dovrà convertire tutte o parte delle proprie Obbligazioni dandone comunicazione all'Emittente (l’“**Avviso di Conversione**”), utilizzando

il modulo allegato al Contratto e specificando il numero di Obbligazioni da convertire e il corrispondente Importo di Conversione in conformità al Paragrafo 8.1 del presente Regolamento.

Le nuove Azioni rivenienti dalla conversione saranno emesse dall'Emittente per il tramite di Monte Titoli in forma dematerializzata e nominativa e saranno trasferite per conto dell'Emittente dall'Agente sul conto titoli dell'Investitore detenuto presso un istituto finanziario aderente al sistema di deposito accentrato gestito da Monte Titoli i cui dettagli saranno indicati nell'Avviso di Conversione, entro 72 ore dalla consegna dell'avviso di conversione da parte dell'Investitore all'Emittente, esclusi i giorni di chiusura delle negoziazioni sul mercato. L'Emittente sarà responsabile per, e terrà indenne l'Investitore da, ogni perdita derivante da un ritardo superiore alle riferite 72 ore.

In particolare, qualora l'Emittente dovesse impiegare più di 72 ore per consegnare all'Investitore le Azioni a seguito della consegna dell'Avviso di Conversione, il suddetto Avviso di Conversione sarà annullato. In tal caso l'Investitore avrà il diritto di consegnare un nuovo Avviso di Conversione modificato, e il periodo di *cool down* e il periodo di determinazione del prezzo (*i.e.* "*pricing period*") saranno di conseguenza prorogati in misura pari al ritardo nella consegna delle precedenti Azioni.

8.3 Rapporto di Conversione

Il numero delle nuove Azioni emesse dall'Emittente in favore del relativo Obbligazionista previa conversione di una o più Obbligazioni, ai sensi del Paragrafo 8.1 del presente Regolamento, sarà calcolato dividendo l'Importo di Conversione per il Prezzo di Conversione.

Nel caso in cui a seguito della conversione risulti un numero non intero di Azioni, l'Emittente arrotonderà tale frazione di Azione per difetto all'Azione intera più vicina.

Le nuove Azioni saranno interamente pagate mediante compensazione con l'Importo di Conversione che verrà dedotto dall'ammontare del valore nominale. Tale conversione non richiederà il pagamento di alcuna commissione o costo da parte del relativo Obbligazionista.

L'Emittente consegnerà tempestivamente le Azioni libere da vincoli di trasferimento e, a seconda dei casi, il Pagamento per Conversione in Danaro al relativo Obbligazionista a seguito di ogni conversione di Obbligazioni. L'emissione delle Azioni e la loro ammissione alle negoziazioni su Euronext Milan avverranno entro 72 ore, esclusi i giorni di chiusura delle negoziazioni sul mercato. Il ricevimento del Pagamento per Conversione in Danaro da parte del relativo Obbligazionista avverrà entro e non oltre un (1) Giorno di Negoziazione successivo alla Data di Conversione.

All'esito della conversione delle Obbligazioni, se il relativo Obbligazionista non riceve le Azioni di compendio come previsto nel paragrafo precedente, e se il rimborso anticipato delle Obbligazioni non è stato richiesto dal relativo Obbligazionista, a discrezione dell'Obbligazionista, l'Emittente pagherà all'Obbligazionista in questione un importo pari alla differenza (se positiva) tra il prezzo di chiusura

dell’Azione due (2) Giorni di Negoziazione dopo la Data di Conversione e il prezzo di chiusura dell’Azione il giorno immediatamente precedente alla data in cui le Azioni in questione sono effettivamente ricevute dal relativo Obbligazionista, per ogni nuova Azione riveniente dalla conversione delle Obbligazioni.

Il suddetto importo sarà pagato dall’Emittente ai relativi Obbligazionisti, esclusi i giorni di chiusura delle negoziazioni sul mercato, non oltre le 72 ore successive alla data in cui le relative Azioni sono effettivamente ricevute dagli Obbligazionisti.

Qualsiasi pagamento a favore di un Obbligazionista effettuato dall’Emittente ai sensi del Paragrafo 8.3 del presente Regolamento sarà effettuato dall’Emittente al relativo Obbligazionista in danaro, tramite bonifico bancario su un conto corrente bancario previamente comunicato dal relativo Obbligazionista all’Emittente, con fondi in Euro immediatamente disponibili e liberamente trasferibili.

8.4 Diritti connessi alle Azioni

Le nuove Azioni rivenienti dalla conversione delle Obbligazioni saranno soggette a tutte le disposizioni dello Statuto e alle decisioni dell’Assemblea degli Azionisti dell’Emittente. Le nuove Azioni saranno ammesse alle negoziazioni su Euronext Milan a partire dalla loro emissione, daranno immediato diritto a dividendi correnti (*i.e.* godimento regolare) e saranno pienamente assimilabili e fungibili con le Azioni già in circolazione.

8.5 Cessazione del Diritto di Conversione

Il diritto di ciascun Obbligazionista di convertire le Obbligazioni ai sensi del presente Paragrafo 8 cesserà alla data in cui le Obbligazioni saranno interamente convertite o rimborsate in danaro.

Warrants having the characteristics described in **Schedule 4** shall be attached to the Notes. The number of Warrants that shall be attached to the Notes of each tranche shall be determined in order for the Issuer, if all those Warrants are exercised, to receive proceeds for a total amount equal to 50% of the nominal amount of the Notes of the tranche they were attached to (the resulting number of Warrants being rounded down to the nearest whole number).

Upon issuance, the Warrants will be detached from the Notes.

If Notes have not been converted by the Note holder prior to their Maturity Date, (i) the Issuer shall have the right to redeem in cash the outstanding principal amount under the Notes on the Maturity Date or (ii) in the case the Issuer does not exercise the right to redeem in cash the outstanding principal amount under the Notes on the Maturity Date, the Investor shall convert all outstanding Notes on the Maturity Date.

Unless it has terminated its conversion rights pursuant to Paragraph 8.5 of this Schedule 2, each Note holder shall have the right at any time as of (i) the First Closing Date or (ii) any Closing Date, up to and including the Maturity Date (the "**Conversion Period**"), to convert all or any of the Notes into new or existing Shares, and to determine the number of Notes to be converted, and the corresponding aggregate principal amount so converted (the "**Conversion Amount**").

At the Issuer's option, the Issuer shall have then the right, upon conversion of the Notes by the Note holder, to:

- (i) deliver new or existing Shares of the Issuer to the Note holder; and
- (ii) pay to the Note holder up to an amount in cash calculated as per the following formula (the "**Conversion Cash Payment**"):

$$\text{Conversion Cash Payment} = \left(\frac{CA}{CP} \right) \times \text{Closing VWAP on the Conversion Date}$$

where:

CA = 33% of the aggregate nominal amount of Notes so converted;

CP = the Conversion Price.

Each Note holder is allowed to make multiple conversions of Notes as long as it stays within the outstanding Principal Amount.

8.2. *Conversion Date; Notice*

Each Note holder may convert all or any of its Notes on any Trading Day of its choice during the Conversion Period, effective at the date of receipt by the Issuer of a Conversion Notice in accordance with Paragraph 8.1 of this Schedule 2 (the "**Conversion Date**").

On each chosen Conversion Date, each Note holder shall convert all or part of its Notes by giving Notice to the Issuer (the "**Conversion Notice**"), using the form attached in **Schedule 3** and specifying a number of Notes to be converted and the corresponding Conversion Amount in accordance with Paragraph 8.1 of this Schedule 2.

The Issuer shall be liable for, and shall indemnify the Investor against, any losses resulting from a delay over the aforementioned 72 hours.

Specifically, should the Issuer take more than 72 hours to deliver the shares following the delivery of the Conversion Notice to the Investor by the Issuer, the aforementioned Conversion Notice shall be cancelled. The Investor shall be entitled to deliver a new, amended Conversion Notice, with the Cool Down Period and pricing period extended by the length of delay in delivering the prior shares.

8.3. Conversion Ratio

The number of new Shares issued by the Issuer to the relevant Note holder upon conversion of one or several Notes in accordance with Paragraph 8.1 of this Schedule 2 will be calculated as the Conversion Amount divided by the Conversion Price.

If the issuance of new Shares would result in the issuance of a fraction of a Share, the Issuer shall round such fraction of a Share down to the nearest whole Share.

The new Shares shall be fully paid by set-off against the Conversion Amount that will come in deduction from the Principal Amount. Such conversion shall not require the payment of any fee or charge by the relevant Note holder.

The Issuer shall promptly deliver freely tradable Shares or, as the case may be, the Conversion Cash Payment to the relevant Note holder upon each conversion of Note(s). The issuance of the Shares and their admission to trading on Euronext Milan shall occur no later than 72 hours excluding non-trading days. The reception of the Conversion Cash Payment by the relevant Note holder shall occur no later than one (1) Trading Day after the Conversion Date.

Upon conversion of Notes, if the relevant Note holder does not receive the relevant Shares as provided for in the paragraph above, and if the early redemption of the Notes was not requested by the relevant Note holder, at the Note holder's discretion, the Issuer shall pay to the relevant Note holder an amount equal to the difference (if positive) between the closing price of the Share two (2) Trading Days after the Conversion Date and the closing price of the Share on the day immediately prior to the date on which the relevant Shares are effectively received by the relevant Note holder, for each new Share which was issued upon the relevant conversion of Notes.

The aforesaid amount, shall be paid by the Issuer to the relevant Note holders not later than 72 hours excluding non-trading days following the date when the relevant Shares are effectively received by the relevant Note Holder.

Any payment to a Note holder made by the Issuer in accordance with Paragraph 8.3 of this Schedule 2 shall be made by the Issuer to the relevant Note holder in cash, by wire transfer to a bank account notified by the relevant Note holder to the Issuer, in immediately available, freely transferable funds in Euros.

In any case, in the event that the Issuer is unable to promptly deliver Shares admitted to trading on Euronext Milan, due to the unavailability of an exemption from the publication of a prospectus, the parties will cooperate in good faith in order to find a solution that preserves the interests and positions of each of them. In the event that no directly and immediately applicable exemption is available, the Issuer undertakes to do everything in its power to publish a prospectus as soon as possible with a view to the admission of the Shares to trading on Euronext Milan.

8.4. Rights attached to the Shares

CHARACTERISTICS OF THE WARRANTS

1. Form

The Warrants shall be issued in a dematerialized form and registered with the centralized deposit system managed and organized by Montetitoli.

2. Enjoyment

Subject to the terms and conditions of this Agreement, the Warrants are issued with full rights of enjoyment as from the date of their detachment from the Notes to which they are attached (i.e. as from the date of the subscription of the relevant Notes).

3. Assignment, transfer and admission to trading of the Warrants

3.1. The Warrants may be assigned or transferred without the prior consent of the Issuer, only to Bridge Investment Team AG and its Affiliates ("**BITAG**") or to Affiliates of the Investor which are not registered under the laws of the United States, Canada, Japan, or any other jurisdiction in which the circulation of the Warrants would be restricted or would require the publication of an information memorandum/offering circular, or would be subject to any other type of permission and/or authorization from any competent authority. In any event the circulation of the Warrants shall be permitted only to Affiliates that may be considered qualified investors pursuant to article 2 (1) (e) of EU Regulation n. 2017/1129 and, for the effect, to subjects identified pursuant to the combined provisions of article 34-ter, paragraph 1, let. b) of the Regulation adopted by CONSOB with Resolution no. 11971 on 14 May 1999, as amended, and article 35, paragraph 1, let. d) of the Regulation adopted by CONSOB with Resolution no. 20307 on 15 February 2018, as amended, and other subjects in the EEA, excluding Italy, who are qualified investors pursuant to Article 2(1)(e) of EU Regulation no. 2017/1129, with the exclusion of institutional investors from Australia, Canada, Japan and the United States of America and any other foreign country in which the circulation of the Warrants would be restricted or would require the publication of an information memorandum/offering circular, or would be subject to any other type of permission and/or authorization from any competent authority..

3.2. Any transferee that becomes a Warrant holder, by whatever means and for whatever reason, shall have the benefit of, and be subject to, all of the rights and obligations arising under this Agreement.

3.3. The Warrants will not be admitted to trading on any financial market.

4. Term

The Warrants shall become automatically null and void sixty (60) months after their respective issuance date.

5. Exercise and Limitations

5.1. *Exercise of the Warrants into Shares of the Issuer; Exercise Period*

Each Warrant holder shall have the right at its option, and effective at any time prior to the Warrant's term (the "**Warrant Exercise Period**"), to exercise all or any of the Warrants into newly issued Shares in registered form.

Each Warrant holder is allowed to make multiple exercises of Warrants.

5.2. *Exercise Date; Exercise Notice*

Each Warrant holder may exercise all or part of its Warrants on any Trading Day of its choice effective at the date of its delivery of a Warrant Exercise Notice (the "**Warrant Exercise Date**") during the Warrant Exercise Period.

On each chosen Warrant Exercise Date, the relevant Warrant holder shall exercise all or part of its Warrants by giving Notice to the Issuer (the "**Warrant Exercise Notice**"), using the form attached in **Schedule 5**.

The new Shares upon exercise of the Warrants shall be issued by the Issuer through Montetitoli in a dematerialized and registered form and shall be transferred on the Issuer's behalf by the Agent to the Investor's custodian account held with a financial institution participating to the centralized deposit system managed by Montetitoli whose details shall be set out in the Warrant Exercise Notice, within two (2) Trading Days excluding the Warrant Exercise Date. The Issuer shall be liable for, and shall indemnify the Investor against, any losses resulting from a delay over the aforementioned two (2) Trading Days.

The Issuer, after updating the securities account where the Warrants are registered, shall in turn send a notice to the Agent for the issuance of new Shares to the relevant Warrant holder.

5.3. *Exercise Ratio – Exercise Price*

Each Warrant will give right to one (1) Share (the "**Warrant Exercise Ratio**") subject to any adjustment made in accordance with Paragraph 6 of this Schedule 4.

The new Shares resulting from the exercise of the Warrants shall be issued upon payment in cash by the relevant Warrant holder of the Warrant Exercise Price.

The Warrant Exercise Price will be determined by truncation after one decimal place.

Such exercise shall not require the payment of any additional fee or charge by the relevant Warrant holder.

Upon exercise of Warrants, if the relevant Warrant holder does not receive the relevant Shares as provided for in the paragraph above, the Issuer shall pay to the relevant Warrant holder an amount in cash equal to (i) the Warrant Exercise Ratio multiplied by (ii) the difference (if positive) between (a) the closing price of the Share two (2) Trading Days after the Warrant Exercise Date and (b) the closing price of the Share on the day immediately prior to the date on which the relevant Shares are effectively received by the relevant Warrant holder, for each exercised Warrant. The aforesaid amount shall be paid by the Issuer to the relevant Warrant holders not later than two (2) Trading Days following the date when the relevant Shares are effectively received by the relevant Warrant Holders.

Any payment to a Warrant holder made by the Issuer in accordance with Paragraph 5.3 of this Schedule 4 shall be made by the Issuer to the relevant Warrant holder in cash, by wire transfer to a bank account notified by the relevant Warrant holder to the Issuer, in immediately available, freely transferable funds in Euros.

5.4. *Rights attached to the Shares*

The new Shares issued upon exercise of Warrant(s) shall be subject to all provisions of the By-Laws and to decisions of the general meetings of the shareholders of the Issuer. The new Shares shall be admitted to trading on Euronext Milan as from their issuance, will carry immediate and current dividend rights and will be fully assimilated to and fungible with the existing Shares.

6. Protection of the Warrant holders

6.1. Upon completion of any of the following transactions:

1. issue of securities carrying a preferential subscription right to shareholders,
2. increase in share capital by capitalisation of reserves, profits or share *premia*, and by distribution of free shares, or stock split,
3. in the event that a nominal value is assigned to the Shares, an increase in share capital of the Issuer, without issuing Shares, by capitalisation of reserves, profits or share *premia* by increasing the nominal value of the Shares,
4. distribution of reserves in cash or in kind or a share premium,
5. allotment of bonus financial instruments other than Shares,
6. merger by acquisition, merger, spin-off, division of the Issuer,
7. buy-back of own Shares at a price that is higher than the Share price,
8. amortisation in share capital of the Issuer,
9. modification of the Issuer's allocation of its profits,
10. issue of new Shares, options, warrants or other rights to subscribe for or purchase any Shares at a price per Share being lower than the Warrant Exercise Price.

which the Issuer may carry out after the detachment date of the Warrants, the rights of the Warrants holders will be protected by adjusting the Warrant Exercise Ratio in accordance with the following provisions.

In the event of an adjustment carried out in accordance with conditions 1 to 9 below, the new Warrant Exercise Ratio will be determined to three decimal places and rounded to the nearest 1000th (0.0005 being rounded up to the next highest 1000th). Any subsequent adjustments will be carried out on the basis of such newly calculated and rounded Warrant Exercise Ratio. However, the Warrants can only result in the delivery of a whole number of Shares.

1. In the event of a financial transaction, conferring a preferential subscription right to existing shareholders, the new Warrant Exercise Ratio will be determined by multiplying the Warrant Exercise Ratio in effect prior to the relevant transaction by the following formula:

$$\frac{\text{share value ex-subscription right plus the value of the subscription right}}{\text{share value ex-subscription right}}$$

For the purposes of calculating this formula, the values of the share ex-subscription right and of the subscription right will be determined on the basis of the average of the closing prices of the Shares on Euronext Milan (as reported by Bloomberg) falling in the subscription period during which the Shares and the subscription rights are listed simultaneously.

2. In the event of an increase in share capital of the Issuer by capitalisation of reserves, profits or share *premia* and by distribution of free shares, or in the event of a stock split the new Warrant

Exercise Ratio will be determined by multiplying the Warrant Exercise Ratio in effect prior to the relevant transaction by the following formula:

$$\frac{\text{Number of shares after the transaction}}{\text{Number of shares existing before the transaction}}$$

Number of shares existing before the transaction

3. In the event of an increase in share capital of the Issuer without Shares being issued by means of a capitalisation of reserves, profits or share premia performed by increasing the nominal value of the Shares, the nominal value of the Shares which may be delivered to the Warrants holders upon exercise of their Warrants will be increased accordingly.
4. In the event of the distribution by the Issuer of reserves in cash or in kind or a share premium, the new Warrant Exercise Ratio will be determined by multiplying the Warrant Exercise Ratio in effect prior to the relevant transaction by the following formula:

$$1 - \frac{\text{Amount of the distribution per share}}{\text{Value of the share before distribution}}$$

1 - $\frac{\text{Amount of the distribution per share}}{\text{Value of the share before distribution}}$

For the purposes of calculating this formula, the value of the Shares before distribution will be determined on the basis of the weighted average of the prices on Euronext Milan over the last three (3) Trading Days before the distribution.

5. In the event of an allotment of bonus financial instruments other than Shares of the Issuer, the new Warrant Exercise Ratio will be determined as follows:
 - If the right to receive financial instruments is listed on Euronext Milan, the new Warrant Exercise Ratio will be determined by multiplying the Warrant Exercise Ratio in effect prior to the relevant transaction by the following formula:

$$1 + \frac{\text{Price of the right to receive financial instruments}}{\text{Share price ex-right}}$$

1 + $\frac{\text{Price of the right to receive financial instruments}}{\text{Share price ex-right}}$

For the purposes of calculating this formula, the prices of the Shares ex-right and of the rights to receive financial instruments will be determined on the basis of the weighted average of the prices on Euronext Milan over the first three (3) Trading Days as from the detachment of the financial instruments.

- If the right to receive financial instruments is not listed on Euronext Milan, the new Warrant Exercise Ratio will be determined by multiplying the Warrant Exercise Ratio in effect prior to the relevant transaction by the following formula:

$$1 + \frac{\text{Value of the financial instruments allocated to each shares}}{\text{Share price ex-right}}$$

1 + $\frac{\text{Value of the financial instruments allocated to each shares}}{\text{Share price ex-right}}$

Share price ex-right

For the purposes of calculating this formula, the price of the Shares ex-right and the value of the financial instruments will be determined on the basis of the weighted average of the prices on Euronext Milan over the first three (3) Trading Days as from the detachment of the financial instruments.

If the financial instruments allocated are not listed on Euronext Milan, their value shall be evaluated in an independent expert's certificate. This certificate shall be produced by an expert of international repute appointed by the Issuer, whose opinion shall not be subject to appeal.

6. In the event of merger by acquisition of the Issuer by another company or of merger of the Issuer with one or more other companies to create a new company, or in the event of a division or spin-off of the Issuer, the Warrants may be exercised into shares of the acquiring or new company or the companies resulting from any division or spin-off.

The new Warrant Exercise Ratio shall be determined by adjusting the Warrant Exercise Ratio in effect before such event by the exchange ratio of the Issuer's Shares against the shares of the acquiring or new company or companies resulting from any division or spin-off. These companies shall be substituted to the Issuer in order to apply the above adjustment, the purpose being to maintain, where applicable, the rights of the Warrants holders in the event of financial or securities transactions, and, generally to ensure that the rights of the Warrants holders are guaranteed under the legal, regulatory and contractual conditions.

7. In the event that the Issuer makes an offer to the shareholders to buy-back its own Shares at a price that is higher than the Share price, the new Warrant Exercise Ratio will be determined by multiplying the Warrant Exercise Ratio in effect by the following formula calculated to the nearest 100th of a Share:

$$\frac{\text{Share value} + \text{pc}\% \times (\text{buy-back price} - \text{share value})}{\text{Share value}}$$

For the purposes of calculating this formula:

"Share value" (i) means the average of at least ten (10) consecutive closing prices of the Shares on Euronext Milan chosen from the twenty (20) consecutive closing prices of the Shares on Euronext Milan preceding the buy-back (or the buy-back offer).

"Pc%" means the percentage of the share capital of the Issuer that has been bought back.

"Buy-back price" means the effective price of the Shares bought-back (which is by definition higher than the Share value).

8. In the event of an amortisation in share capital of the Issuer, the new Warrant Exercise Ratio will be determined by multiplying the Warrant Exercise Ratio in effect prior to the relevant transaction by the following formula:

$$1 - \frac{\text{Amount of amortisation per share}}{\text{Value of the share before amortisation}}$$

For the purposes of calculating this formula, the value of the Share before the amortisation will be determined on the basis of the weighted average of the prices of the Share on Euronext Milan over the last three (3) Trading Days immediately prior to the date of the amortisation.

9. In the event of the modification by the Issuer of the allocation of its profits as a result of the issue of preference shares, the new Warrant Exercise Ratio will be determined by multiplying the Warrant Exercise Ratio in effect prior to the preference share issue date by the following formula:

$$1 - \frac{\text{Reduction of the profit right per share}}{\text{Value of the share before modification}}$$

For the purposes of calculating this formula, the Share price before the modification of the allocation of profits will be determined on the basis of the weighted average of the prices of the Share on Euronext Milan over the last three (3) Trading Days immediately prior to the date of the modification.

10. If and whenever the Issuer shall issue any Shares (other than Shares issued upon exercise of the Warrants or conversion of the Notes) or shall issue or grant any options, warrants or other rights to subscribe for or purchase any Shares (other than the Warrants and the Notes), in each case at a price per Share which is less than the Warrant Exercise Price divided by the Warrant Exercise Ratio, the new Warrant Exercise Price shall be reduced in due proportion to reflect the dilution (in percentage) suffered by the Warrant holder as a result of such issue or grant, as the case may be, of such Shares or such options, warrants or rights.
- 6.2. Any Warrants holder exercising its rights may subscribe to a number of Shares, which is calculated by multiplying the Warrant Exercise Ratio in effect at such time by the number of the Warrants exercised. If the Shares are listed and if the number of Shares calculated in this manner is not a whole number, a Warrant holder shall receive:
- either the nearest whole number of Shares immediately less than its entitlement and will receive a payment equal to the value of such additional fraction of a Share calculated on the basis of the closing Share price listed on Euronext Milan on the Warrant Exercise Date;
 - or the nearest whole number of shares immediately more than its entitlement and will provide a payment equal to the value of such additional fraction of a Share calculated on the basis of the closing Share price listed on Euronext Milan on the Warrant Exercise Date.

Notwithstanding the above, the Issuer shall not be permitted, without the prior authorisation of the Warrants holder(s), to change its legal form or corporate purpose.
